Idee intelligenti per la casa

L'azienda

Oltre quarant'anni anni di successi nel settore dei casalinghi in lamiera e plastica all'insegna dell'innovazione. Meliconi S.p.A. nasce negli anni '60 ed è oggi una delle più importanti realtà italiane in continua crescita. Sintesi perfetta di funzionalità e bellezza del design, praticità ed innovazione, i prodotti Meliconi nascono per migliorare e semplificare il vivere quotidiano. Sono oggetti che fanno parte del nostro tempo ma che sono comunque destinati a durare. Questo il segreto del successo Meliconi.

The Company

Meliconi S.p.A. has been operating successfully in the plastic and metal household and kitchen appliance sector for over forty years and has made a name for itself in terms of innovation. Meliconi was set up in the 1960s, is now one of the leading Italian companies and is growing constantly.
The perfect combination of efficiency, nice design, practicality and innovation, Meliconi products are designed to improve and simplify our day-to-day lives.
These products are modern inventions but they are also built to last. This is the secret to the success of Meliconi.

La Société

Depuis plus de quarante ans, Meliconi S.p.A. innove avec succès dans le secteur des articles ménagers en tôle et en plastique. Créée dans les années soixante, cette société constamment en expansion est aujourd'hui l'une des plus importantes d'Italie.
À la fois fonctionnels et esthétiques, pratiques et innovants, les produits Meliconi sont conçus pour améliorer et simplifier notre vie quotidienne. Ces objets sont adaptés à notre époque, mais ils sont aussi destinés à durer.
C'est là que réside le secret du succès de Meliconi.

Die Firma

Über vierzig Jahre Erfolg in der Branche der Haushaltsartikel aus Metallblech und Kunststoff im Zeichen der Innovation: Die in den 60er Jahren gegründete Firma Meliconi S.p.A. ist heute eine der wichtigsten, in ständigem Wachstum begriffenen italienischen Realitäten.
Als perfekte Synthese aus Funktionalität und Schönheit des Designs, sind die praktischen und innovativen Produkte von Meliconi dafür konzipiert, unseren Alltag zu verbessern und zu erleichtern. Diese Objekte sind Ausdruck unserer Zeit, aber auch dazu bestimmt, unsere Zeit zu überdauern. Dies ist das Erfolgsrezept von Meliconi.

Lavanderia

Design, tecnologia e innovazione rendono lo stendino e l'asse da stiro due strumenti funzionali e indispensabili in ogni casa, capaci di soddisfare anche le moderne esigenze di spazio. Tutti gli articoli sono realizzati in materiali resistenti che garantiscono affidabilità e durata nel tempo.

Laundry

The clothes-rack and the ironing board, two functional items needed in every home, now take up very little space thanks to design, technology and innovation. All the items are made from hard-wearing materials to guarantee reliability and a long life.

Wäscherei

Design, Technik und Innovation machen aus dem Wäscheständer und dem Bügeltisch zwei funktionelle und unerlässliche Geräte, die in keinem Haushalt fehlen dürfen und dank des geringen Platzbedarfs den heutigen Bedürfnissen nachkommen. Alle Artikel sind aus widerstandsfähigen Materialien hergestellt, die für Zuverlässigkeit und lange Lebensdauer sorgen.

Buanderie

De par leur design, technologie et innovation, le séchoir et la planche à repasser sont deux outils fonctionnels et indispensables dans toutes les maisons, en mesure également de satisfaire aux exigences d'espace actuelles. Tous les articles sont réalisés dans des matériaux résistants, pour une fiabilité et une durée dans le temps garanties.

Lavadero

Por su diseño, tecnología e innovación, el tendedero y la tabla de planchar se convierten en dos instrumentos funcionales e indispensables en todo hogar, capaces de satisfacer las más modernas exigencias de espacio. Todos los artículos están realizados con materiales resistentes que garantizan fiabilidad y duración en el tiempo.

Sistemazione

Una serie di prodotti per organizzare al meglio l'attività domestica.
La biancheria da lavare, le cose che non sai mai dove mettere, i portaombrelli per non sgocciolare in casa.

Storage

A series of products to organize domestic chores in the best possible way.
Laundry, things you never know where to put, umbrella-stands to keep your floor dry.

Aufbewahrung

Eine Reihe von Produkten für einen gut organisierten Haushalt. Für die zu waschende Wäsche, für die Sachen, die sonst nirgends Platz finden, Schirmständer, damit nicht alles nass wird.

Aménagement

Cette série de produits permet d'organiser au mieux vos activités domestiques.
Le linge à laver, les choses qu'on ne sait jamais où ranger, les porte-parapluies pour ne pas dégouliner dans la maison.

Organización

Una serie de productos para organizar de la mejor manera la labor doméstica.
La ropa para lavar, los objetos que nunca sabes dónde colocar, los porta-paraguas para no gotear en casa.
